PRO-LIFE SERVICES

Catholic Charities offers services that honor life from the moment of conception. Services focus on bringing families together and sharpening parenting and self-sufficiency skills.

PROGRAMS

Pregnancy and Parenting Case Management
Provides pro-life professional case management services to help expecting parents facing an unplanned pregnancy to explore the options of parenting or adoption and accessing resources to support them in their decision.

Adoption Record Services
Catholic Charities works with adult adoptees seeking adoption records.

ECHO
Collaborating with schools, clinics and other community providers, the Education Creates Hope and Opportunity Program provides extended case management to pregnant or parenting teens seeking to complete their education. Working alongside clients, setting goals and providing resources to overcome barriers, the goal of ECHO is to create hope and open opportunities through increased education for our young parents.

CATHOLIC CHARITIES

MENTAL HEALTH SERVICES

Providing professional mental health counseling services for children, families, marriages, and individuals. Our services focus on mental health, including depression, anxiety, PTSD, marital and family concerns. We take referrals from Catholic schools and parishes, and provide a sliding scale fee, as well as accept major insurances and Medicaid.

PROGRAMS

School Counseling
Partners with Catholic school principals, guidance counselors, and parents, licensed counselors are available to work with students with a variety of concerns.

Mental Health Counseling
Licensed therapists available to assist person(s) desiring counseling to address concerns in their lives.

Diocesan Mental Health Ministries
Parish-level support for those living with mental illness through a Catholic, compassionate, and community-based approach.

Clinical Liaison
Connects referrals to vetted therapists to provide counseling and therapy services to parishioners, families, and students.

Survivors of Trafficking
We offer clinical services, case management, and life skills training to those 21 years old or younger and have been a victim of labor or sex trafficking.
